## SUMMARY:

Murray went on more than 40 third world trips, providing shelter, medical supplies, and medication. Murray believes that change will come through education – especially for the girls in male dominated countries. Murray does magic shows every trip with his puppet Gramps.

Haiti (1994-2018): Installed solar power in Gilbert. Built schools, repaired homes, and built a clinic that operated for 19 years, serving 15,000 people.

Africa: Provided goats and goat housing for orphans

Drilled 16 wells and has since funded 8 more wells in Malawi

Funded 6 orphan garden plots and 3 orphan feeding centers

Provided bedding and birthing table for rural hospital

Built science block for secondary school
